

AgGateway: Stakeholders and Deliverables

Crop Input Supply Chain → Field Operations → Harvest Supply Chain

How to use this map

- 1) Find where your organization fits in this map (people icons).
- 2) Look at the incoming / outgoing arrows from your node. These show the tools AgGateway has developed to enable communication for your organization.
- 3) Scan the QR code for more info on the AgGateway groups that manage tools you are interested in. Contact them!

Key

- Orange arrow: Enabling technologies and tools (AGIIS and RDAPI)
- Grey arrow: Operational tools
- Yellow arrow: Work in progress
- Light orange arrow: Future opportunity
- Double-headed arrow: Arrows show direction of data flow
